Along with your camper you will be given a GPS for your use during your stay and personally escorted to a fantastic Christchurch camper van site to park up the van. Vanessa will then become your personal tour guide of Christchurch for the afternoon, before you share a meal at a fantastic local restaurant and get returned to your camper to sleep.

Day 2:

Rise when your ready and able and with the directions given to you the previous day make your way up the coast line through some fantastic wine country to Hanmer Springs, home of Canterbury's natural hot springs. The local cuisine is excellent, and reservations will be made on your behalf at one of the best restaurants available.
